Probable Cause Statement
Justice Precinct #5
Sierra Vista Police Dept.

Case #: SVPD DR# A19-06013

Date: 02/15/19

Defendant: Teofilo Lopez (3/7/69)

Charges: Attempt Sexual Conduct with a Minor
(ARS 13-1405)

Luring of a Minor
(ARS 13-3554A)

- On 2-15-19, I was in on online chat-room on the "Grindr" social media site. The site is a known platform for individuals to connect up for sexual encounters. I have investigated numerous individuals for using the site to communicate and engage in sexual conversations with minors. I was contacted by an individual listed only as a 48 year old male in his profile. The individual stated he had a room at the "Roadway inn" hotel in Sierra Vista and wanted to engage in sexual activity.
- I responded to the instant message and during the first few exchanges identified myself as a 14 year old boy to Lopez. He initially told me he was looking for individuals who were 18 year of age and older and continued to communicate with me. I advised him I had never done anything sexual but was curious and he continued to conversation and asked me to meet him by the pool. He made a reference of not wanting to get caught by the police.
- Lopez we could start out by meeting and talking before doing anything sexually. When I explained that I was scared Lopez stated he would only do what I wanted and would not hurt me. When I told him I didn't have a ride and needed to be picked up he stated he would pick me up from the Bank of America across from the Veterans Park. He stated he was driving a red pickup truck. Officers began observing the Roadway in and watched Lopez get into a black pick-up truck and head east on Fry Blvd. Officers were were watching the bank as Lopez drove by several times. He was continuing to text whom he believed to be a 14 year old asking him to come out and to describe what was in front of the tellers.

- Lopez was exhibiting common behavior related to counter surveillance at the bank stating he thought I was the police. He then advised me to go to the ATM in front of the bank and he would pick me up. Lopez came up to the ATM and was arrested by officers. Officers secured his cell phone which had the "Grindr" application open with the conversation with me in plain view.
- He was transported to the Sierra Vista Police Department where he admitted he was staying at the Roadway in and was meeting with men to engage in sexual conduct. He admitted having a conversation with a 14 year old boy but stated he was meeting him to take him to his mother to report his behavior. He could not provide an answer on why he didn't report the individual to the web site or call the police to advise them about the incident.
- Based on the information stated above I believe probable cause exist to arrest Lopez for the charges listed on the attached forms.
